SUN Bucks 2025	**Benefit:** Provides grocery-buying benefits to qualifying families with school-aged children during the summer months; sometimes referred to as Summer EBT. SUN Bucks benefits are issued to debit-like cards (EBT cards) that families can use to purchase food during the summer period. The benefit will be issued to each child that qualifies in one lump sum for the summer period. The benefit amount remains the same, regardless of when the child is determined eligible. Each eligible child will receive only one SUN Bucks benefit issuance. Approved students will be mailed a new SUN Bucks card so families should make sure that their school or food assistance caseworker has their correct mailing address, especially for where they'll be over the summer. **Eligibility:** Most students will be automatically enrolled in the program, but some will need to apply. To determine if you need to apply for SUN Bucks for your child, please use our Eligibility Chatbot in the bottom right corner of this page. SUN Bucks Search Tool – See if your child's school is part of the National School Lunch Program (NSLP) or Community Eligibility Provision (CEP). Whether or not the school is NSLP or CEP may impact your child's eligibility (see Does my child qualify for SUN Bucks for more information).
